Conceived on July 9, 1982, El Teatro De Artes De Juan Seguin (Teatro) was formed as a non-profit, tax-exempt 501 C (3) organization to address several civic issues including the general population's lack of knowledge about the Seguin Mexican American community's history and cultural traditions; the lack of local agencies through which Mexican American leadership potential could be identified, encouraged, and developed; and the lack of Mexican American participation in the general community's sociocultural activities.

To address these concerns, El Teatro established major goals: (1) to ensure Mexican Americans & Latinx know their history, roots and contributions (scholarship, art and leadership); (2) to promote a better understanding of the Mexican American & Latinx people, their history and their culture; and (3) to ensure they feel valued and are made "whole" by discovering their own history which has been neglected.

Teatro and its constituents view history, arts and culture as having to do with values i.e., with the way individuals see, understand and act upon the world. Teatro studies, documents, and preserves (but is not limited to) the history, culture and art in the areas of family and history; language; crafts; folklore & folklife; celebrations; foods/culinary; oral tradition; mariachi/conjunto and other ethnic music; visual arts; dramatic arts; film & video arts; danza folklórica (folklórico dances); and others. All of these are aimed toward "remembering" (reacquisition) lost cultural practices and toward incorporating those practices into everyday life.

Since its founding, Teatro **accomplishments** include:
